

Investors In People

Amspec was founded in February 2002 by Andrew Maxwell who has worked hard to build it's reputation as a quality Design and Build company providing excellent customer service to the Commercial Construction Sector in the North West.

The ambition of Amspec is to continue to grow it's reputation as a professional, hardworking talented and skilful Design & Build provider who is recognised for delivering a quality service that is second to none. The strong reputation will encourage repeat business and new business to increase the Company turnover year on year.

Andrew recognises that in order to maintain and build this reputation, the people who work at Amspec need to feel entirely integrated and content in their working environment. He is committed to ensuring that each and every member of staff has the opportunity to reach their full potential with no barriers to controlled progression in the business.

Successful companies establish a purpose, vision and core values that are thread through every integral part of the day to day activities.

Amspec's Purpose and Vision has been defined as:

"Amspec was conceived out of a desire to offer a transparent approach to Design & Build Services. We embrace the best in modern design and construction techniques with a solid, dependable, safe delivery structure. Our workforce is the best in the business and makes a positive contribution on all of our projects"

Core values are what help support the vision, shape the culture and reflect what the company values. Our core values have been defined as:

- **A**spiring to be the best
- **M**aintaining relationships
- **S**afe working environment
- **P**romoting team working
- **E**xceeding client expectations
- **C**onsidering the environment
