

## **Construction Estimator**

Amspec Limited in Wigan have grown over the last 24 years into one of the most capable and exciting Design & Build enterprises in the Northwest, currently operating in 4 key sectors:

- Commercial and Industrial
- Retail and Leisure
- Public Sector
- Specialist and Bespoke (our Specialist and Bespoke service involves the Design and Manufacture of fitted and loose Joinery products).

We currently have a fantastic opportunity to add to our busy Commercial Team by way of recruiting an Experienced Estimator.

You should at least 4 years of Construction / Interiors Sector experience, working on projects of varying values.

Having either gained or in the process of, or interested in achieving a qualification in Construction & The Built Environment or similar Construction related degree.

The successful candidate's role will include producing high quality, accurate estimates, presented in a legible, analytical and logical format. You will also be responsible for processing tenders, reviewing tenders within the team prior to submission, identifying risks, acquiring prices from our pool of sub-contractors, preparing accurate take offs.

Amspec work with specific estimating software, and knowledge of Evaluate or something similar would be beneficial, although full training will be given.

Further duties in your role will consist of;

- Managing all aspects of Bid Preparation, Preparation of Enquiries to Sub-Contractors, Cost Comparisons, Bid Strategies, a deep understanding of our sector.
- Organising and attending site visits with Clients and Sub-contractors
- Client liaison (attend Client progress meetings to keep abreast of any commercial issues)
- Ability to work on multiple tenders in a busy environment
- Adaptable and able to quickly learn our Software – Eque2 / Evaluate
- MS Project proficient would be an advantage

- Undertake Client Tender Presentations
- Technical knowledge of the construction methods being applied to tenders

You will be required to attend sites to carry out surveys, so a full UK driving licence is essential. You must have an excellent level of computer literacy (in particular with all Microsoft packages – Word, Excel) and a common-sense approach to information sourcing and problem solving.

The ideal candidate will be a hard-working individual with excellent communication skills.

The Estimating role is client and customer facing so a confident attitude is required as there may be times presentations are required.

As a business, we recognise that our strength lies within our workforce and our Investors in People achievement reflects our commitment to people management excellence. We have an expectation that our staff live and believe in our core values:-

Aspiring to be the best & celebrating success

Maintaining relationships

Safe working environment

Promoting team working & balanced lives

Exceeding client expectations

Considering the environment

This is a full-time permanent position to commence asap.

Monday to Friday typically worked between 08.00am – 4.30pm with a 30-minute unpaid lunch break (these hours are flexible if required).

Competitive salary negotiable dependent upon previous experience and qualifications.

We offer a company pension scheme with Royal London and a staff reward and recognition programme. We also encourage and promote continuous professional development for all staff, with no barriers to further training.

Should you meet the desired criteria and wish to be considered for interview, please apply with your CV by return to [careers@amspec.co.uk](mailto:careers@amspec.co.uk)

Closing date for applicants is Friday 20<sup>th</sup> February 2026.
